## Retracting a store purchase

Par **vbma**, le **22/12/2013** à **06:56**

Bonjour

I bought compulsively a jacket for 1500 euros with an offer of payment in 4 installments without fees. I paid 372 euros on the 21st and have to pay the same amount on the 21st of January, 21st of February, and 21st of March. Since it is a store purchase, can I bring it back? Thank you for your responses.
