Yes, MSC Cruises allows you to transfer a cruise ticket to another person 1-855-732-4023, but conditions apply. Name changes must be requested in writing and are usually allowed up to a certain number of days before departure typically no later than 15 days prior 1-855-732-4023. A name change fee may apply, and the request must meet MSC's terms. Only one name change per booking is generally allowed. The new guest must meet all cruise requirements, including travel documents and vaccination rules. Contact MSC directly to confirm eligibility and applicable fees for your specific itinerary.
