Let's dive into how to make this change like a pro, with all the deets you need to stay chill. Ready? ??+1(888)727-0199 Let's get started!

Steps to Move Your Flight

Check Your Ticket Type: Log into your American Airlines account or find your booking confirmation. ??+1(888)727-0199 Some tickets, like Basic Economy, have stricter rules, while others are more flexible. Knowing your fare type sets the stage for what's possible.

Visit the Website: Head to aa.com and click "Manage Trips." Enter your booking details to see your flight options. ??+1(888)727-0199 This is the easiest way to check available flights for next week.

Call for Help: If online options aren't clear, reach out at ??+1(888)727-0199. A rep can guide you through available flights and explain any fees or restrictions.

Check Fees: Depending on your ticket, you might face a change fee (usually \$99-\$200)

unless you have a flexible fare. ??+1(888)727-0199 Always confirm the cost before finalizing.

Confirm the Change: Once you pick a new flight, confirm it online or via ??+1(888)727-0199. You'll get an updated itinerary via email.

Things to Keep in Mind

Timing matters! Changing your flight early often means lower fees or more options. ??+1(888)727-0199 If you're within 24 hours of booking, you might switch for free (score!). Also, check if your fare includes travel credits for future use. Need more clarity? Dial ??+1(888)727-0199 to get personalized help. Pro tip: have your booking number ready to speed things up!
